Hi Stefan,

Unfortunately, one of our clients died while in custody a couple weeks ago and we urgently need a case summary done of the file. Since you're the removals officer on tonight, can you please prepare a case summary and send it to Carmen and Anna Guida once complete? I'll leave the file on your chair - please return to Ashley Roberts once complete.

Thanks and have a good shift!

Hi Ashley/Gabrielle,

I see Ashley is out for the rest of the day.

We require a case summary of this file. Gabrielle, can you pull the file and see who can prepare it? Stefan Behrue is the afternoon Removals Officer. We can ask him to prepare it.

Please let me know if there is already one on file or not.

Thanks,

Carmen

I just wanted to bring this to your attention as I am only now being made aware of it. Mr. Cole passed away at TED' ver Christmas I assume CBSA was not made aware of this.

Hearings Officer Richard Ekwandja attended TEDC on 14 Jan 2013 for a scheduled DR and was notified by the guards that he passed away one or two weeks ago.

I searched the OTIS records on the G Drive and googled obituaries, which indicates that Mr. Cole passed away on 26 Dec 2012.

Ashley Roberts is the Removals Officer. Gabi, can you follow up with Ashley for more information on this case.

Thanks,
Christa

Hi Jessica,

I had two cases today at the TEDC for DR:

- **SHAWN DWIGHT COLE**, ID: As per the TEDC guards, this client passed away in custody one or two weeks ago. I just wanted to inform you about this occurrence. Removals Officer in charge of the case is Ashley Roberts. I have no idea whether or not Ashley is aware of these developments.
